FARMVILLE.

The ice man and the soda water man have been happy of late and have contributed largely to the happiness of others too.

The shady sides of our streets are popular in these days and our shade trees are unusual pets. Some years ago many of them on our Main Street were cut down by order of the Council, but the man who would destroy one now would be considered criminal. Those about the Presbyterian church are graceful as well as generous protectors against the hot sunshine, and were planted there some twenty years ago by the Richardson Bros. The same amount of outlay never brought richer returns. "Woodman spare that tree."

Blackberries are again on the market and the only trouble about them is that it is so hard to separate the ripe ones from the green ones and the latter don't differ much from the green "simmons." The cultivated blackberry is the best of berries and the wonder is that it is not largely cultivated. Every garden in Southside Virginia should be fringed with them.

The summer Normal is in full swing and the splendid work which is being done by the accomplished corps of instructors is being appreciated not only by the earnest teachers in attendance but by many of the town who find time to drop in now and then.

The tearing down of the Methodist church causes sadness to many hearts. It was a noble structure and tender, sweet memories gathered about it. Of course the new building will be larger and much more imposing and yet it will never just take the place of the old with some people.

The Farmville Driving Club has been re-organized for another season and there is much enthusiasm among its members.

Some conscience-smitten mortal sent Mayor Blanton $200 and said in an unsigned letter, "it belongs to the community." It was turned over to the treasurer of the town and no questions asked.

The late Col. W. W. Forbes would have been 89 on the 26th of next November. Few men have ever lived a more eventful life or been more honored by fellow citizens.

The tallest monument in our cemetery marks the grave of Conrad Zimmerman, who though a native of Germany was intensely loyal as an American citizen. Upon the graceful shaft these words are chiseled—"A lover of truth and right, a friend to the poor, at all times the gentleman." He came a stranger to a strange land but died leaving a host of friends who loved him while living, and honor his memory now that he is dead.

Mr. H. E. Barrow is one of our busiest merchants and yet finds time for most successful farming. He has the happy gift of making more than two blades of grass grow where only one grew before, and by the way his speech of welcome to the summer Normal was the work of an expert though he makes no pretensions to oratory.

The fire bell stirs our people as nothing else does. The occasion always brings out an army of volunteers, though in my opinion the regulars are the ones to fight fire.

President Jarman has been confined to his home by a slight indisposition but is in office again.

Mr. and Mrs. W. R. Berkley, of Raleigh, N. C. are visiting in the old home.

Mr. J. M. Booker, of Lynchburg has been the guest of his niece, Mrs. Robertson.

Other new houses are going up in different sections of the town. When finished the residence of President Jarman will be one of the most convenient and attractive in town.

Chickens are scarce and roost high.

Lithia water is Farmville's most popular drink though the dispensary is "doing business at the old stand."

Dr. White's new drug store will be the handsomest in town. The furnishings have been ordered complete from the large centres. We Farmvillians are proud of our stores anyhow. They are not only "catchy" but clean and in charge of men of marked courtesy.

Failure to inaugurate our ice factory was a public calamity.

Most of our people are at home for the summer and are more comfortable than they would be at a majority of the pleasure resorts. "There is no place like home"—a Farmville home.

Mr. and Mrs. F. N. Watkins, of Atlanta have been receiving marked social attention during their visit to the old home and their Virginia friends.

The "glorious 4th" was not signally observed by our people this year. An occasional outburst from fire crackers caused the nervous to jump and some one to remark, "why this is the Fourth,"—"only that and nothing more."

The Carnival has been in full blast much to the amusement of the "small boy" and larger ones too.

Miss Belle Johnson, a pet of all Farmville and a pianist of rare gifts, gave a delightful entertainment at the opera house on Friday evening last. She was ably assisted by Miss Taylor of Norfolk.

Mrs. Hurd, who is making her home with her son, Mr. A. R. Hurd was visiting her friends in town on last Wednesday and though 91 years of age was as cheerful and as much in love with life as any of them.

Prospect Depot.

John Johnson, a native of England, but for 35 years a resident of Virginia, died on his farm near here on last Sunday, aged 63 years, of a complication of heart disease and asthma. He leaves a widow and seven grown children; he was buried on Monday at the old Appomattox Presbyterian church, of which he was a faithful member, the Rev. C. M. Barrel, his pastor, officiating. He was an honest and true man, respected by all who knew him.

A Guaranteed Cure for Piles.

Itching, blind, bleeding, protruding piles. Druggists are authorized to refund money if PAZO OINTMENT fails to cure in 6 to 14 days.

Asthma Sufferers Should Know This

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 west 3rd street Davenport, Iowa, writes: "A severe cold contracted twelve years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one 50 cent bottle entirely cured me of asthma which had been growing on me for twelve years. If I had taken it at the start I would have been saved years of suffering."

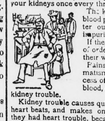
Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood

All the blood in your body passes through your kidneys once every three minutes.



The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

If you would reach the homes of the people in Southside Virginia, especially Appomattox and Buckingham counties, place your advertisement in this paper.

Typhoid fever has again made it's appearance at and near White Hall or Dillwyn. Andrew Banton, George Bryant and Miss Nettie Sharp are all down with the dread malady and the citizens there are alarmed lest the fever should become an epidemic.

Prof. E. P. Dahl has been appointed principal of the graded school at Dillwyn. He was principal of the Farmville High School last session and is a fine educator.

Another shooting has taken place and it is the same old tale. A maddened negro named Bob Watkins shot a young man named Robt. Evans at Arvonia and the negro is in jail here awaiting the action of the grand jury. The whites and negroes hereabouts are outspoken and earnest in saying that these men who have done these shootings must be promptly punished. I saw Mr. Gayle of counsel for Wiltz Ellis and he said he saw no reason why Ellis could not be tried at the coming term of court to be begun on the 31st and that the trial would likely consume but little time as there are few witnesses. Senator A. E. Strode is the other lawyer for the defense.

The crowds that have attended the tabernacle meeting the past week have not been as large as heretofore on week-days and I have no doubt that those who take an active part in these services miss the services of the late Mr. I. N. Ayers, who died the week before the meetings began. Mr. Ayers seemingly was in his usual health, and even remarked that he felt better than usual and had done a good day's work on his farm that day, but next morning when he failed to appear at the breakfast table his wife became alarmed and went to his room only to find his lifeless remains.

Mr. P. A. Grigg has fixed up his mill near here and is ready to grind corn. John Gordon, who has run the mill for many years, is sick at his home, and little hopes are entertained for his recovery.

Mr. Grigg has engaged with the "Middle Warehouse" in Farmville for the coming season.

An agent of the Hall Insurance Company of Farmville, was out in the section visited by the hail last week and some of the farmers told him he came too late, but he was equal to the occasion and told them this was a warning of what they might expect.

Miss Jean Hall has returned from Richmond, bringing some of her city relatives for a visit at "Perry Hill."

Mr. LeSeuer and his bride are boarding with Mr. J. D. Olivier and is having a fore-bay put in at Slate River Mills and will open up for wheat grinding in a short while.

Mrs. Garnett and Mrs. Pierce were both visiting at Mrs. Spencer's last week, and Mrs. Landrum, who was Miss Mattie Allen before her marriage, is boarding at the Spencer house.

Arvonia.

The school trustees of Marshall District met here Saturday, July 14th and organized, with E. R. Williams as chairman and David Stinson secretary. Messrs. E. R. Williams and A. J. Terrill have recently been appointed trustees. These gentlemen are business men, no better appointments could have been made. Now let Arvonia, with the largest school population in the county have a school house that will do credit to the thrift and energy of her people.

Sunday, 15th, Rev. C. P. Scott, new pastor of Barton Heights Baptist church, formerly pastor here, preached from the Presbyterian pulpit to a large and appreciative congregation. Perhaps never before was such a sermon heard at Arvon, the subject, "the only true happiness found in the religion of Jesus Christ" was the theme of his discourse. The people went out from the house of God wrapt and silent, each at least hoping to find that happiness of which the preacher had so eloquently told.

Mrs. Lelia Pierce is visiting her mother at the Courthouse.

Sheriff Williams was here Saturday having a high old time with his many friends.

Omohundro.

Everybody is busy and little visiting is done and therefore little news.

Dr. T. H. Lacy delivered a fine sermon last Sunday at Grace church, to a large congregation.

Miss Mattie Omohundro has returned from Lynchburg to spend several weeks with her parents at this place.

Miss Mary Wright, of Lynchburg is visiting her friend Miss Omohundro of this place.

The carpenters are progressing nicely on the new building of Mr. H. D. Omohundro.

Misses Lillie and Catherine Ragland have returned to Lynchburg after spending several weeks with their parents near here.

Enouville.

Mr. Elmus Dowdy, of Mecklenburg county is at home attending the Holiness meeting.

Mr Edward Coleman, of Lane's Bottom, W. Va., is expected home in a few days.

Mrs. Ida Boatwright and daughter, Mrs. Perkins, of Richmond, is spending this week with relatives.

Little Miss Lois Godsey, of Petersburg, is spending the summer at Mr. S. P. Price's.
